CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

The information furnished under cover of this Form 6-K contains both historical information and forward-looking statements (within the meaning of Section 27A of the Securities Act, Section 21E of the Exchange Act and the Securities Act (Ontario)) that may state our intentions, hopes, beliefs, expectations or predictions for the future. In this report, forward-looking statements are necessarily based upon a number of estimates and assumptions that, while considered reasonable by us at this time, are inherently subject to significant business, economic and competitive uncertainties and contingencies. We caution that such forward-looking statements involve known and unknown risks, uncertainties and other risks that may cause our actual financial results, performance, or achievements of the Company to be materially different from our estimated future results, performance, or achievements expressed or implied by those forward-looking statements.

These forward-looking statements involve risks and uncertainties, as well as assumptions that may never materialize, prove incorrect or materialize other than as currently contemplated which could cause our results to differ materially from those expressed or implied by such forward-looking statements. The words “believe,” “anticipate,” “expect,” “intend,” “estimate,” “plan,” “may,” “could” and other similar expressions that are predictions of or indicate future events and future trends which do not relate to historical matters, identify forward-looking statements. Any such forward-looking statements are not intended to give any assurances as to future results. Numerous factors could cause actual results to differ materially from those in the forward-looking statements. Due to risks and uncertainties, including the risks and uncertainties identified in our Annual Information Form, actual results may differ materially from current expectations.

Numerous factors could cause actual results to differ materially from those in the forward-looking statements, including without limitation:

- the outcome of our arbitration under ICSID against the Bolivarian Republic of Venezuela;
- the actual value realized from the disposition of the remaining Brisas Project related assets;
- the result or outcome of the litigation regarding the enjoined hostile takeover bid for us;
- the potential equity dilution in the event the convertible notes are converted in part or in whole to common shares;
- our ability to maintain continued listing on the NYSE MKT and/or the TSX Venture;
- corruption and uncertain legal enforcement;
- political and social instability;
- requests for improper payments;
- competition with companies that are not subject to or do not follow Canadian and U.S. laws and regulations;
- regulatory, political and economic risks associated with Venezuela including changes in laws and legal regimes;
- impact of currency, metal prices and metal production volatility;
- our dependence upon the abilities and continued participation of certain key employees;
- the prospects for exploration and development of other mining projects by us; and
- risks normally incident to the exploration, development and operation of mining properties.

Investors are cautioned not to put undue reliance on forward-looking statements, and investors should not infer that there has been no change in our affairs since the date of this report that would warrant any modification of any forward-looking statement made in this document, other documents filed periodically with securities regulators or documents presented on our website. All subsequent written and oral forward-looking statements attributable to us or persons acting on our behalf are expressly qualified in their entirety by this notice. We disclaim any intent or obligation to update publicly or otherwise revise any forward-looking statements or the foregoing list of assumptions or factors, whether as a result of new information, future events or otherwise, subject to our disclosure obligations under applicable rules promulgated by the relevant securities regulators.

SUBORDINATED NOTE RESTRUCTURING AGREEMENT

As of May 25, 2012

TO: THE PARTIES SIGNATORY HERETO

Ladies and Gentlemen:

This Subordinated Note Restructuring Agreement (this "Restructuring Agreement") is entered into between the undersigned, Gold Reserve Inc., a company incorporated under the laws of the Yukon Territory, Canada (the "Company"), and each entity or account listed on Exhibit A hereto (each a "Holder" and solely for ease of reference, collectively the "Holders"). The Holders and the Company may be referred to, collectively, as the "Parties." Notwithstanding any collective reference to Holders, each Holder is acting separately in the exercise of its rights hereunder and all of its commitments and liabilities are undertaken on a several and not joint basis.

WHEREAS, the Company issued 5.50% convertible notes (the "Notes") in the aggregate principal amount of \$103,500,000 on May 18, 2007, and, as of the date hereof, an aggregate principal amount of \$102,347,000 remained outstanding;

WHEREAS, the Holders hold, in the aggregate, approximately 88% of the Notes, in the principal amounts listed on Exhibit A attached hereto;

WHEREAS, in accordance with the terms of the indenture governing the Notes (the "Indenture") the Company has offered to repurchase the outstanding Notes for cash on June 15, 2012 on the terms and subject to the conditions included in the Repurchase Notice dated May 16, 2012 and the Schedule TO filed with the SEC on May 16, 2012 (the "Repurchase Offer");

WHEREAS, certain of the Holders have agreed to "put" for cash certain of the Notes held by them pursuant to the Repurchase Offer (the "Retained Notes", as set forth on Exhibit A hereto);

WHEREAS, the Company and the Holders desire (i) to restructure the Company's obligations under certain of the Notes held by the Holders (the "Subject Notes", as set forth on Exhibit A hereto) pursuant to the Proposed Transaction, as defined below, and (ii) if the Proposed Transaction is not approved by the Shareholders, as defined below, as provided herein, to amend the terms of the Subject Notes in order to effectuate the deferral of the put right and as otherwise provided herein pursuant to the Alternate Transaction, as defined below (together, the Proposed Transaction and the Alternate Transaction are referred to as the "Restructuring Transaction");

WHEREAS, the Board of Directors of the Company (the "Board") has unanimously determined that (i) the Proposed Transaction is in the best interests of the Company's shareholders (the "Shareholders") and has approved the Proposed Transaction, subject to the approval of the Shareholders (such Shareholder approval of the Proposed Transaction is referred to herein as "Shareholder Approval") and, (ii) has approved the Alternate Transaction to be consummated by the Parties in the event that the Shareholder Approval is not obtained; and

WHEREAS, the Company has disclosed in the materials related to the Repurchase Offer referred to above that the terms of the Restructuring Transaction will be made available to all holders of Notes other than the Holders (the "Other Holders"), such that the Other Holders will be able to elect to restructure some, all or none of the Notes held by them in accordance with the terms thereof, all on the same terms as made available to the Holders.

NOW, THEREFORE, in consideration of the foregoing, the Company hereby agrees with the Holders as follows:

1. Proposed Transaction. As provided further below, the Company shall seek Shareholder Approval of the following transactions (collectively, the "Proposed Transaction") on or prior to June 27, 2012 (the "Shareholder Meeting Deadline Date"):

1.1 Each \$1,000 in principal amount of Subject Notes held by each Holder shall be restructured as follows, subject to the last sentence of this Section 1.1:

- (a) \$700 principal amount of Subject Notes (the "Transferred Notes") shall be exchanged for (i) USD \$200.00 in cash, (ii) 147.06 common shares (the "Proposed Transaction Shares") of the Company, no par value ("Common Shares"), and (iii) a pro rata portion of the aggregate 5% Contingent Value Right payable in respect of all Subject Notes; and
- (b) \$300 principal of Subject Notes shall remain outstanding and represent the same continuing indebtedness, subject to the amended terms set forth in a Supplemental Indenture (or other Amended Note Documentation, as defined below) the principal terms of which are attached hereto as Exhibit B ("Amended Notes").

The aggregate amounts of cash, Proposed Transaction Shares and the Contingent Value Percentage of Contingent Value Rights to be paid or issued to, and the principal amount of the Amended Notes held by, each Holder in respect of its Subject Notes is set forth on Exhibit A.

Notwithstanding the foregoing or anything to the contrary herein (including in the Definitions section below), the form and substance of the documents that govern the terms of the Amended Notes, including whether such documents shall include a supplemental indenture or a new indenture, shall be determined in good faith by the Majority Holders and the Company (such final documentation, the "Amended Note Documentation"); provided, that in any event the Amended Note Documentation shall be based on and incorporate the principal terms set forth on Exhibit B hereto.

1.2 The Company shall (x) pay to each Holder in cash the accrued and unpaid interest on the Subject Notes through the day immediately prior to the Proposed Transaction Closing Date, as defined below (the amount of such accrued and unpaid interest assuming a Proposed Transaction Closing Date of June 29, 2012 is set forth on Exhibit A hereto), and (y) issue to each Holder a CVR Certificate in the applicable Contingent Value Percentage as set forth on Exhibit A hereto.

In addition, (i) on or prior to June 15, each Holder shall "put" to the Company for cash the principal amount of Retained Notes set forth in the last column on Exhibit A hereto in connection with the Repurchase Offer and (ii) on June 15, the Company shall pay to each Holder (and each Other Holder, as applicable) its pro rata portion of the Additional Cash Consideration.

At the request of each Holder, the Company covenants and agrees to elect jointly with such Holder pursuant to section 85 of the *Income Tax Act* (Canada) (the "Act") in prescribed form and within the prescribed time for purposes of the Act, and shall therein agree in respect of the Transferred Notes referred to in such election that the Holder's proceeds of disposition and the Company's cost of such Transferred Notes shall be such amount as shall be determined by the Holder and is permitted under Section 85 of the Act (the "Elected Amount"). The Company and the Holder covenant and agree to file such election as required by the Act and the regulations thereunder so that it shall have full force and effect for purposes of the Act.

2. **Alternate Transaction.** If Shareholder Approval is not obtained, then the Subject Notes shall be amended (the "Alternate Notes") pursuant to the terms set forth in the Alternate Supplemental Indenture the principal terms of which are attached hereto as Exhibit D (the "Alternate Transaction") on the Alternate Transaction Closing Date, as defined below; provided that, notwithstanding the foregoing or anything to the contrary herein (including in the Definitions section below), the form of the documents that govern the terms of the Alternate Notes, including whether such documents shall include a supplemental indenture or a new indenture, shall be determined in good faith by the Majority Holders and the Company (such final documentation, the "Alternate Note Documentation"); provided further, that in any event the Alternate Note Documentation shall be based on and incorporate the principal terms set forth on Exhibit D hereto.

3. **Closing.**

3.1 **Shareholder Approval Obtained by Shareholder Meeting Deadline Date.** If Shareholder Approval is obtained on or prior to the Shareholder Meeting Deadline Date, then, subject to the satisfaction or waiver of the other conditions set forth in Sections 4.1, 4.2 and 4.3, the Proposed Transaction shall be consummated (the "Proposed Transaction Closing") on June 29, 2012 (the "Proposed Transaction Closing Date"); provided, that if Shareholder Approval has been so obtained but the Company believes in good faith that the Amended Note Documentation will not be timely finalized in order to permit the issuance of the Amended Notes to the Holders by June 29, 2012 (and the finalization of the Amended Note Documentation is or will be the only condition to closing that has not been satisfied or is not capable of being satisfied), then the Company may elect by notice (which may be made via email) to the Holders made no later than 5:00 p.m. New York time on the Shareholder Meeting Deadline Date to (x) close the transactions contemplated by Section 1.1 above, other than clause 1.1(b) on June 29, 2012, and (y) defer the closing of the transactions contemplated by clause 1.1(b) by such amount of time as is reasonably necessary to finalize the Amended Note Documentation, but in no event beyond July 31, 2012 (such date, the "Outside Date"). For the avoidance of doubt, (i) the full amount of cash specified on Exhibit A must be actually received by each Holder by 12:00 p.m. New York time on June 29, 2012; (ii) the Company shall hold the meeting at which it seeks Shareholder Approval on or prior to June 27, 2012; and (iii) the Company will keep the Holders apprised of its preliminary determinations regarding the form and timing of finalizing the Amended Note Documentation in advance of the date of such Shareholder meeting. The Company will provide the PT Company Closing Deliverables to the Holders at least two Business Days in advance of the Proposed Transaction Closing Date. The Proposed Transaction Closing shall occur at 10:00 am Pacific time, at the offices of Gold Reserve Inc., 926 W Sprague Ave, Suite 200, Spokane, WA 99201 or such other time and place as agreed by the Parties (the "Closing Location").

3.2 **Meeting Held by Shareholder Meeting Deadline Date but Shareholder Approval Not Obtained.** If a meeting of Shareholders has been held at which approval of the Proposed Transaction has been sought as provided herein on or prior to the Shareholder Meeting Deadline Date, but Shareholder Approval is not obtained by such date, then, subject to the satisfaction or waiver of the other conditions set forth in Sections 4.4, 4.5 and 4.6, the Alternate Transaction shall be consummated (the "Alternate Transaction Closing"; the Proposed Transaction Closing and the Alternate Transaction Closing are sometimes referred to as the "applicable Closing") on June 29, 2012 (the "Alternate Transaction Closing Date"; the Proposed Transaction Closing Date and the Alternate Transaction Closing Date are sometimes referred to as the "applicable Closing Date"); provided, that if the Company believes in good faith that the Alternate Note Documentation will not be timely finalized in order to permit the issuance of the Alternate Notes to the Holders by June 29, 2012 (and the finalization of the Alternate Note Documentation is or will be the only condition to closing that has not been satisfied or is not capable of being satisfied), then the Company may elect by notice (which may be made via email) to the Holders made no later than 5:00 p.m. New York time on the date on which the meeting of Shareholders was held at which approval of the Proposed Transaction had been sought to defer the closing of the transactions contemplated by Section 2 by such amount of time as is reasonably necessary to finalize the Alternate Note Documentation, but in no event beyond the Outside Date. The Company will provide the AT Company Closing Deliverables to the Holders at least two Business Days prior to the Alternate Transaction Closing Date. The Alternate Transaction Closing shall occur at the Closing Location at 10:00 a.m. Pacific time or such other time as agreed by the Parties.

3.3 Shareholder Approval Obtained, but Not by Shareholder Meeting Deadline Date. If Shareholder Approval is obtained after the Shareholder Meeting Deadline Date, but prior to the Outside Date, then, subject to the satisfaction or waiver of the other conditions set forth in Sections 4.1, 4.2 and 4.3, the Proposed Transaction Closing shall occur on the earlier of (i) two Business Days following the date of such Shareholder Approval or (ii) the Outside Date (in either case, the “Deferred PT Closing Date”); provided, that if Shareholder Approval has been so obtained but the Company believes in good faith that the Amended Note Documentation will not be timely finalized in order to permit the issuance of the Amended Notes to the Holders by the Deferred PT Closing Date (and the finalization of the Amended Note Documentation is or will be the only condition to closing that has not been satisfied or is not capable of being satisfied), then the Company may elect by notice (which may be made via email) to the Holders made no later than 5:00 p.m. New York time on the date on which Shareholder Approval is obtained to (x) close the transactions contemplated by Section 1.1 above other than clause 1.1(b) on the Deferred PT Closing Date, and (y) defer the closing of the transactions contemplated by clause 1.1(b) by such amount of time as is reasonably necessary to finalize the Amended Note Documentation, but in no event beyond the Outside Date. For the avoidance of doubt, (i) the full amount of cash specified on Exhibit A must be actually received by each Holder by 12:00 p.m. New York time on the Deferred PT Closing Date; and (ii) the Company will keep the Holders apprised of its preliminary determinations regarding the form and timing of finalizing the Amended Note Documentation in advance of the date of such Shareholder meeting. The failure of the Company to hold the meeting at which it seeks Shareholder Approval on or prior to the Shareholder Meeting Deadline Date shall be a breach of this Restructuring Agreement and the Company shall pay to each Holder, as liquidated damages and not a penalty, such Holder’s pro rata portion of the Meeting Liquidated Damages payable in respect of such Holder’s holdings of Subject Notes; provided, that payments of any Meeting Liquidated Damages owing shall be made on the earlier to occur of (A) the date on which the meeting is held at which Shareholder Approval is sought and (B) every fifth Business Day from the Shareholder Meeting Deadline Date through the date on which the meeting is held at which Shareholder Approval is sought. The Company will provide the PT Company Closing Deliverables to the Holders at least two Business Days in advance of the Deferred PT Closing Date. The Proposed Transaction Closing shall occur at the Closing Location at 10:00 am Pacific time or such other time as agreed by the Parties.

3.4 Meeting Not Held by Shareholder Meeting Deadline Date and Shareholder Approval Not Obtained. If a meeting of Shareholders has been held at which approval of the Proposed Transaction has been sought as provided herein but such meeting has not been held on or prior to the Shareholder Meeting Deadline Date, and Shareholder Approval is not obtained at such meeting, then, subject to the satisfaction or waiver of the other conditions set forth in Sections 4.4, 4.5 and 4.6, the Alternate Transaction Closing shall occur on the earlier of (x) two Business Days following the date of such meeting or (y) the Outside Date (in either case, the “Deferred AT Closing Date”). The failure of the Company to hold the meeting at which it seeks Shareholder Approval on or prior to the Shareholder Meeting Deadline Date shall be a breach of this Restructuring Agreement and the Company shall pay to each Holder, as liquidated damages and not a penalty, such Holder’s pro rata portion of the Meeting Liquidated Damages payable in respect of such Holder’s holdings of Subject Notes; provided, that payments of any Meeting Liquidated Damages owing shall be made on the earlier to occur of (A) the date on which the meeting is held at which Shareholder Approval is sought and (B) every fifth Business Day from the Shareholder Meeting Deadline Date through the date on which the meeting is held at which Shareholder Approval is sought. The Company will provide the AT Company Closing Deliverables to the Holders at least two Business Days prior to the Deferred AT Closing Date. The Alternate Transaction Closing shall occur at the Closing Location at 10:00 a.m. Pacific time or such other time as agreed by the Parties. Notwithstanding the foregoing or anything to the contrary herein, if the Alternate Transaction Closing has not occurred by August 15, 2012 (the “Drop-Dead Date”), for any reason, including the failure of the condition in Section 4.4(a) to have been satisfied by such date, each Holder (and each Other Holder, as applicable) may elect to have the Company redeem any or all of the Notes held by it on the Drop-Dead Date in accordance with the terms of the Indenture by providing written notice of such election within 30 days of the Drop Dead Date; provided, that the Company shall in all events use its reasonable best efforts to cause the Alternate Transaction Closing to occur by the Drop-Dead Date. Any election by any Holder to cause the Company to redeem the Notes held by such Holder shall be in addition to any other remedy that such Holder may have pursuant to the terms of this Restructuring Agreement or in law or equity and shall not prejudice or otherwise impair any remedy available to such Holder.

Prior to the Closing, Holders shall not make any public announcement regarding the Restructuring Transaction, except as may be required by Applicable Law, in which case the Holder proposing to issue such press release or make such public announcement shall use its reasonable best efforts to consult in good faith with the Company before making any such public announcements. On or before the first Business Day following execution of this Restructuring Agreement, the Company shall publicly disclose the material terms hereof in compliance with all applicable securities regulations.

EXHIBIT B
SUPPLEMENTAL INDENTURE

The Supplemental Indenture (or other Amended Note Documentation) will provide that the terms of the Amended Notes will be the same as the current terms of the Notes, subject to the following revisions (and any other revisions mutually agreed by the Company and the Majority Holders reasonably necessary to implement the intent of the Parties):

(a) The Amended Notes shall represent the same continuing indebtedness as the principal amount of the Notes being amended, as applicable, and in particular the Supplemental Indenture (or other Amended Note Documentation) and/or the Amended Notes will confirm the intention of the Parties that these revisions shall not result in a rescission or novation of such indebtedness;

(b) the Stated Maturity date will be June 29, 2014;

(c) the Conversion Rate will be increased from 132.6260 per Common Shares per \$1,000 Principal Amount of Securities (equivalent to a Conversion Price of \$7.54) to 250 Common Shares per \$1,000 Principal Amount of Securities (equivalent to a Conversion Price of \$4.00);

(d) Holders may convert Amended Notes to Common Shares at the Conversion Price at any time after the Closing Date upon three (3) days prior written notice to the Company;

(e) the Company shall have a mandatory obligation to redeem the Amended Notes then outstanding, in whole or in part, for an amount of cash equal to 120% of the Principal Amount thereof plus accrued and unpaid interest upon (i) the Company's receipt of payment of an Arbitration Award or (ii) the Company's receipt of Proceeds from a Mining Data Sale, in each case upon twenty (20) days' notice to the Holders; provided, however, that the Company's redemption obligations in (i) and (ii) shall be limited to the amount of the Proceeds received by the Company (provided, further, that any subsequent receipt of additional Proceeds shall be applied in a similar manner until such time as the redemption obligations have been satisfied in full);

(f) the Company may redeem the Amended Notes, in whole or in part upon twenty (20) days' notice to the Holders, for Common Shares at the Conversion Price plus cash for any accrued and unpaid interest if the closing sale price of its Common Shares is equal to or greater than 200% of the Conversion Price for at least 20 trading days in the period of thirty (30) consecutive trading days (and for the avoidance of doubt, this provision shall override the provision in the current Indenture that permits the company to redeem the Notes at any time after June 16, 2012) (for the avoidance of doubt, the Company shall have no other ability to redeem the Amended Notes other than pursuant to the foregoing); and

(g) unless previously converted by a Holder, or redeemed by the Company, the Company will satisfy the Notes, at maturity, by payment of cash in an amount equal to the principal plus accrued and unpaid interest thereon.

In the event that the delivery instructions provided to the Company herein or in any Assignment are not appropriate or are otherwise insufficient to effect delivery the Contingent Value Percentage of the any Net Proceeds or any portion thereof, then the Company shall so notify Holder in writing and reasonably cooperate with Holder to effectuate such delivery.

Form and Calculation of Net Proceeds.

Holder hereby acknowledges that the Proceeds may be in the form of cash, securities, commodities, bonds or other non-cash consideration received by the Company as a result of an Arbitration Award, Mining Data Sale and/or an Enterprise Sale. In the event that such Proceeds are in a form other than cash, Holder shall receive the Contingent Value Percentage of the Fair Market Value of such non-cash Proceeds, net of the Excluded Amounts. The Company agrees that prior to agreeing to accept any operating assets or other non-cash consideration as all or part of any Net Proceeds that the Company reasonably determines in good faith would be impracticable to apportion (an “**Undistributable Asset**”), the Company will notify the Holder if the Holder holds CVRs with an aggregate Contingent Value Percentage that exceeds that of any other single holder of Restructuring CVRs (the Holder, in such event, referred to as the “**Largest Holder**”) and Company’s management and its Board of Directors will in good faith negotiate with the Largest Holder on behalf of all holders of Restructuring CVRs a mutually agreeable disposition for the rights of all holders of Restructuring CVRs with respect to such Undistributable Asset and the Company shall not agree to accept any Undistributable Asset without the consent of the Largest Holder. If the Net Proceeds to be distributed to Holder include any Undistributable Asset, Company shall promptly notify the Holder in writing that the Holder holds an undivided interest equal to the Contingent Value Percentage in the Undistributed Asset (such notice, an “**Undistributed Asset Notice**”) and the Company shall take all actions as the Holder may reasonably request to record, certificate and/or otherwise effectuate the Holder’s ownership of such undivided interest. So long as the Holder holds an undivided interest in an Undistributed Asset, the Company shall not take any action which has the effect of diminishing or otherwise impairing the value of the Undistributed Asset or the Holder’s undivided interest therein.

For purposes of this CVR, the term “Net Proceeds” shall mean the aggregate Proceeds arising out of, in connection with or with respect to any Arbitration Award, Mining Data Sale and/or Enterprise Sale, less amounts sufficient to pay or reserve for, without duplication:

(i) taxes payable by the Company in connection with the receipt of such Proceeds calculated by applying all applicable statutory tax rates to such Proceeds; provided that in the event that the Company receives any refund with respect to such taxes as a result of an overpayment, then the Company shall remit to Holder, solely from any such refund, an amount equal to the amount of such refund multiplied by the Contingent Value Percentage

(ii) professional fees and expenses (including, but not limited to, any contingent fees) incurred by the Company in connection with any such Arbitration Award, Mining Data Sale or Enterprise Sale, as the case may be, to the extent that such fees are unpaid as of the date of the receipt by the (x) Company, (y) its affiliates or (z) solely with respect to an Enterprise Sale, the Company’s shareholders, of such Proceeds; provided that all deductions pursuant to this clause (ii) do not exceed \$10 million in the aggregate,

(iii) any accrued and unpaid operating expenses of the Company as of the date of the receipt by the Company of such Proceeds, provided that such expenses (x) were reasonable and incurred in the ordinary course of the Company’s business, consistent with past practices, (y) immediately prior to the receipt by the Company of such Proceeds, such expenses did not remain unpaid as a result of a failure by the Company to pay its expenses in the ordinary course of the Company’s business, consistent with past practice and (z) all deductions pursuant to this clause (iii) do not exceed \$1 million in the aggregate,

(iv) the principal amount of Amended Notes and all accrued and unpaid interest thereon to the extent such Amended Notes are outstanding and such interest remains accrued and unpaid on the date on which the Company receives such Proceeds, less the amount of such principal amount of such Amended Notes and accrued and unpaid interest is satisfied as a result of delivery of Common Shares to the holders of such notes in satisfaction of the Company obligations under such Amended Notes; provided that (x) in no event shall the Company be entitled to deduct any accrued and unpaid interest thereon, including any default interest, that the Company has failed to pay when such interest became due and payable and (y) the Company right to deduct such amounts pursuant to this clause (iv) shall be contingent upon (A) the Company's compliance with the requirements of Section []^[2] of the Supplemental Indenture (as such term is defined in the Restructuring Agreement) and (B) the immediate cure of all Payment Defaults, if any; and

(v), solely with respect to an Enterprise Sale, the aggregate amount of change of control payments which the Company is contractually obligated to pay in accordance with the terms of any employee or director compensation agreement, plan or arrangement entered into by the Company prior to May [], 2012;^[3] provided that all deductions pursuant to this clause (v) do not exceed \$20 million in the aggregate (the amounts described in the foregoing clauses (i) through (v) collectively referred to herein as the "Excluded Amounts").

The Company agrees that in the event that any Excluded Amount is an estimated reserve for the purpose of making a distribution to Holder pursuant to this Certificate (including, but not limited to, any estimated tax amounts in accordance with clause (i) above) and the actual amount of such tax, payment, expense or other amount which constitutes an Excluded Amount is less than such estimate, the Company shall, as promptly as practicable after the determination of the actual amount of such tax, payment, expense or other amount and in any event no less than two (2) Business Days after such determination, distribute an amount of Proceeds to Holder equal to (x) the Contingent Value Percentage multiplied by (y) the difference between the estimated amount of such deduction and the actual amount of such tax, payment, expense or other amount which constitutes an Excluded Amount.

Acceleration. In the event that the Company or its shareholders, directly or indirectly, engage in an Enterprise Sale which

^[2] Cross reference to Section in the Supplemental Indenture requiring the Company to redeem the notes upon the receipt of proceeds from an Arbitration Award or Mining Data Sale.

^[3] Execution date of the Restructuring Agreement to be inserted.

(a) includes the sale, pledge transfer or other disposition, directly or indirectly, of the Company's rights or claims with respect to an Arbitration Award or the Arbitration Proceedings and (i) the Company has not received Proceeds with respect to an Arbitration Award, (ii) the Company continues to hold any rights with respect to the Arbitration Proceedings, and the Arbitration Proceedings have not yet been finally arbitrated, finally adjudicated, settled or otherwise resolved (for the avoidance of doubt, the requirements of this clause (ii) shall be deemed to be met if an Enterprise Sale provides for the settlement or other resolution of the Arbitration Proceedings or any of the Company's rights with respect thereto in connection with such Enterprise Sale) or (iii) in the event that the Company or its affiliates have entered into an agreement or other arrangement with respect to or which constitutes an Arbitration Award, (x) such agreement or other arrangement provides for payments or other transfers of assets or other non-cash consideration to the Company or its affiliates over time and (y) the Company has not yet received the all of such payments or transfers of assets or non-cash consideration, and/or

(b) includes the sale, pledge, transfer, or other disposition, directly or indirectly, of the Company's rights with respect to the Mining Data and (i) the Company has not received Proceeds with respect to a Mining Data Sale, (ii) the Company continues to hold any ownership rights with respect to the Mining Data or (iii) in the event that the Company or its affiliates have entered into an agreement or other arrangement with respect to a Mining Data Sale, (x) such agreement or other arrangement provides for payments or other transfers of assets or other non-cash consideration to the Company or its affiliates over time and (y) the Company has not yet received the all of such payments or transfers of assets or non-cash consideration, then

prior to the consummation of such Enterprise Sale, the Company shall make appropriate provision so that, simultaneously with the consummation of the Enterprise Sale, Holder shall receive a distribution of the Contingent Value Percentage of the Net Proceeds received by the Company with respect such Enterprise Sale. Simultaneously with any distribution to Holder pursuant to this Section 3, the Company shall deliver to Holder a reasonably detailed written statement of the Company's calculation of the amount of such distribution (including, but not limited to, the calculation of the Proceeds of such Enterprise Sale, the determination of the Fair Market Value of any non-cash assets or other consideration included in such Proceeds and the basis for such determination, the Excluded Amounts deducted from such Proceeds and the Net Proceeds). Such written statement shall be accompanied by a certificate of an officer of the Company certifying that (x) the calculation of the amount of such distribution as set forth in such written statement (and the numerical components thereof) is true and correct in all material respects and (y) the Fair Market Value of any non-cash assets and the basis for such determination are each set forth in such written statement, and such amount and description accurately and truthfully reflect the determination of the Board of Directors in all material respects. Holder's receipt of a distribution pursuant to this Section 3 shall be in lieu of Holder's right to receive the Contingent Value Percentage of the Net Proceeds arising out of, in connection with or with respect to an Arbitration Award (to the extent that the conditions set forth in Section 3(a) are satisfied) and/or a Mining Data Sale (to the extent that conditions set forth in Section 3(b) are satisfied).

Company's Obligation to Notify Holder. In the event that the Company receives a written proposal (a) with respect to an Enterprise Sale, a Mining Data Sale or settlement offer in connection with the Arbitration Proceedings or (b) which, if accepted, the Proceeds of which would constitute an Arbitration Award, in each case, the Company will promptly notify Holder of such proposal in writing and such notice shall include a copy of such proposal and any related material received by the Company; provided that, at the time of the Company's receipt of such proposal, (i) Holder owns ten percent (10%) or more of the then outstanding Common Shares and (ii) Holder and the Company have entered into a confidentiality agreement reasonably acceptable to the Company which is then in full force and effect. The Company's management and its Board of Directors will in good faith consider Holder's views regarding any such proposal or offer, subject to applicable law, including without limitation the fiduciary duties of the Company's officers and directors to act with a view to the best interests of the Company and its shareholders.

Mutilated; Stolen or Lost Certificates. If this Certificate is mutilated and is surrendered to the Company or the Company receives evidence to its reasonable satisfaction of the destruction, loss or theft of this Certificate (an affidavit executed by Holder in customary form shall constitute such evidence), and there is delivered to the Company such security bond and/or indemnity as may be required by it to save it harmless, then, the Company shall execute and deliver, in exchange for any such mutilated Certificate or in lieu of any such destroyed, lost or stolen Certificate a new Certificate of like tenor and Contingent Value Percentage of the CVR represented by this Certificate. Upon the issuance of any new Certificate representing Holder's CVR under this Section 5, the Company may require the payment of a sum sufficient to cover any applicable tax or other governmental charge which is imposed in relation thereto. The provisions of this Section 5 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement of this Certificate as a result of mutilation, destruction, loss or theft.

Persons Deemed Owners. The Company, and any agent of the Company may treat the Person in whose name any CVR is registered as the owner of such CVR (as modified by the Company's receipt of any Assignment in accordance with Section 8 hereof) for the purpose of receiving distributions with respect to such CVR and for all other purposes whatsoever, and neither the Company nor any agent of the Company shall be affected by notice to the contrary (other than an Assignment delivered to the Company in accordance with Section 8 hereof).

Term. This CVR shall remain in full force and effect until the later to occur of (i) the date on which Holder receives distribution by the Company of its full Contingent Value Percentage of all Net Proceeds arising out of, in connection with or with respect to all Mining Data Sales (or, in the event that Holder receives a distribution pursuant to Section 3 in lieu of Holder's right to receive such distribution relating to an Mining Data Sale, the date on which Holder receives such distribution pursuant to Section 3) or (ii) the date on which Holder receives distribution by the Company of its full Contingent Value Percentage of all Net Proceeds arising out of, in connection with or with respect to all Arbitration Awards (or, in the event that Holder receives a distribution pursuant to Section 3 in lieu of Holder's right to receive such distribution relating to an Arbitration Award, the date on which Holder receives such distribution pursuant to Section 3) (the "Termination Date"). On the Termination Date, the Company's obligations to make any distributions pursuant to this CVR (other than pursuant to Section 14(d) or the last sentence of Section 2(b)) shall terminate and be of no further force of effect.

In the event of any transfer of this CVR, Holder shall deliver to the Company an Assignment an opinion of counsel regarding the compliance of such transfer with applicable securities laws in a form reasonably acceptable to the Company. Upon receipt of the Assignment, the Company shall recognize the transferee designated therein as the registered owner of this CVR and as “Holder” for all purposes of this Certificate. At or prior to the Termination Date, this Certificate may be split up, combined or exchanged for another Certificate entitling Holder to a like Contingent Value Percentage as evidenced by the Certificate surrendered. If Holder desires to split up, combine or exchange this Certificate, Holder shall make such request in writing delivered to the Company, and shall surrender this Certificate to be split up, combined or exchanged at the office of the Company. Thereupon the Company shall sign and deliver to the person or entity entitled thereto a Certificate or Certificates, as the case may be, as so requested.

Company Financings. Until the Termination Date, the Company will not pledge, mortgage, hypothecate or grant a security interest in (a) any Proceeds, (b) the Mining Data, (c) the Company’s rights with the respect to the Arbitration Proceedings or any Arbitration Award or (d) or all or substantially all of the assets of the Company, in each case to secure any indebtedness without concurrently making effective provision whereby this CVR shall be equally and ratably secured with such indebtedness; provided that in the case of clause (a), the Company may pledge, mortgage, hypothecate or grant a security interest in any Proceeds after the Company has made a full distribution of the Contingent Value Percentage of the Net Proceeds thereof to the Holder in accordance with the terms of this CVR. Any pledge, mortgage, hypothecation or grant of a security interest made by the Company (i) in accordance with the terms of this Section 9 and (ii) for the purpose of financing the Company’s operating expenses and/or expenses incurred in connection with the Arbitration Proceedings, shall not be deemed to be an Arbitration Award, Mining Data Sale or Enterprise Sale.

4. Shareholder Capacity.

Shareholder does not make any agreement or understanding herein in Shareholder's or any representative of Shareholder's capacity as a director or officer of the Company. Shareholder executes this Agreement solely in Shareholder's capacity as a record owner or Beneficial Owner of the Subject Securities, and nothing herein will limit or affect any actions taken by Shareholder or any designee of Shareholder in Shareholder's capacity as an officer or director of any the Company in order to comply with his or her fiduciary obligations as an officer or director of any the Company.

5. Miscellaneous.

(a) Entire Agreement. This Agreement constitutes the entire agreement, and supersedes all prior agreements and understandings, both written and oral, among the parties with respect to the subject matter of this Agreement.

(b) Amendments. This Agreement may not be amended, supplemented or otherwise modified except in a written document signed by each party to be bound by the amendment and that identifies itself as an amendment to this Agreement. No agreement, understanding or arrangement of any nature regarding the subject matter of this Agreement shall be deemed to exist between the Company and Shareholder unless and until this Agreement has been duly and validly executed on behalf of all parties.

(c) Severability. If any provision of this Agreement is held invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions of this Agreement are not affected or impaired in any way and the parties agree to negotiate in good faith to replace such invalid, illegal and unenforceable provision with a valid, legal and enforceable provision that achieves, to the greatest lawful extent under this Agreement, the economic, business and other purposes of such invalid, illegal or unenforceable provision.

(d) Specific Performance. Each of the parties hereto recognizes and acknowledges that a breach by Shareholder of any covenants or agreements contained in this Agreement will cause Company to sustain damages for which it would not have an adequate remedy at law for money damages, and therefore each of the parties hereto agrees that in the event of any such breach Company will be entitled to the remedy of specific performance of such covenants and agreements and injunctive and other equitable relief in addition to any other remedy to which it may be entitled, at law or in equity.

(e) Remedies Cumulative. All rights, powers and remedies provided under this Agreement or otherwise available in respect hereof at law or in equity will be cumulative and not alternative, and the exercise of any thereof by any party will not preclude the simultaneous or later exercise of any other such right, power or remedy by such party.

(f) No Third Party Beneficiaries. This Agreement is not intended to be for the benefit of, and will not be enforceable by, any person or entity who or which is not a party hereto; provided that, in the event of Shareholder's death, the benefits and obligations of Shareholder hereunder will inure to Shareholder's successors and heirs; provided further that each of the Large Holders shall be deemed to be third party beneficiaries of this Agreement and shall have the right to enforce this Agreement and shall have the right to exercise any right or remedy of the Company provided for herein.

(g) Governing Law. The internal laws of the State of Washington (without giving effect to any choice or conflict of law provision or rule that would cause the application of laws of any other jurisdiction) govern all matters arising out of or relating to this Agreement and its schedule and all of the transactions it contemplates, including its validity, interpretation, construction, performance and enforcement and any disputes or controversies arising therefrom or related thereto.

(h) Assignment. Except as provided herein, neither this Support Agreement nor any of the interests or obligations hereunder may be assigned or delegated by either party, and any attempted or purported assignment or delegation of any of such interests or obligations shall be void.

IN WITNESS WHEREOF, this Agreement has been duly executed and delivered by Shareholder and a duly authorized officer of Company on the day and year first written above.

EXHIBIT F
FORM OF CHANGE IN CONTROL WAIVER

CHANGE OF CONTROL WAIVER AGREEMENT

This Change of Control Waiver Agreement is entered into between Gold Reserve Inc. (the “**Company**”) and the undersigned (“**Employee**” [NTD: change to director where needed]), effective as of the date set forth below their respective signatures.

WHEREAS, pursuant to a Subordinated Note Restructuring Agreement, dated as of the date hereof (without reference to any amendments entered into the parties thereto after the date hereof, the “**Restructuring Agreement**”) entered into among the Company, Steelhead Partners, LLC (“**Steelhead**”), West Face Capital Inc. (“**West Face**”) and Greywolf Capital Management, LP (“**Greywolf**”), the Company and the other parties thereto agreed to restructure certain of the Notes upon the terms and conditions set forth in the Restructuring Agreement;

WHEREAS, the Restructuring Agreement contemplates the consummation of certain transactions (such transactions, other than the Alternate Transaction, the “**Restructuring Transactions**”) that may constitute a Change of Control under the terms of [the Change of Control Agreement among the Company, Gold Reserve Corporation, a Montana corporation, and Employee dated [], 20[]] [and/or] [the Gold Reserve Inc. Equity Incentive Plan and the stock options and restricted stock awards made thereunder] and/or [the Gold Reserve Director and Employee Retention Plan and the retention unit awards made thereunder] listed on Exhibit A attached hereto (“**Applicable Agreements**”);

WHEREAS, absent this limited waiver, Employee is or may be entitled to receive certain payments and benefits pursuant to one or more of the Applicable Agreements as a result of any Restructuring Transaction being deemed to be a “Change of Control” for the purposes of any Applicable Agreement;

WHEREAS, the Company has requested Employee to execute and deliver a limited waiver of his [or her] rights to all payments and benefits under the Applicable Agreements arising out any Restructuring Transaction being deemed to be a “Change of Control” for the purposes of any Applicable Agreement solely for the purpose of facilitating the Restructuring Transactions;

WHEREAS, Employee is willing to waive his [or her] rights to certain payments and benefits under the Applicable Agreements to the limited extent expressly provided herein solely for the purpose of facilitating the Restructuring Transactions, provided that such waiver in no way affect, modify or diminish Employee’s rights under any of the Applicable Agreements to payments and benefits as a result of the occurrence of any change in control for which a limited waiver is not expressly set forth herein.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Employee and the Company hereby agree as follows:

1. Employee hereby agrees that the acquisition by Steelhead, West Face or Greywolf of shares of the common shares of the Company, no par value (the “**Common Shares**”) or other securities of the Company convertible into Common Shares or pursuant to the terms of which, Common Shares may be distributed to the holders thereof, including, but not limited to, the Amended Notes and the CVRs, in each case pursuant to the Restructuring Agreement shall not be deemed to be or otherwise constitute a “Change of Control” for the purposes of each of the Applicable Agreements and further agrees to waive any and all right or entitlement to receive or retain any payment or benefits described in the Applicable Agreements solely to the extent that any such payment or benefit would be triggered by the issuance of Common Shares or other securities of the Company pursuant to or as contemplated by the Restructuring Transactions; provided, however, that the waiver herein is subject to approval of the Restructuring Transactions by the Company’s shareholders on or before July [31], 2012 (the “**Required Shareholder Approval**”).

2. For the purposes of this limited waiver and without limiting Section 1 hereof and subject to the Required Shareholder Approval, Employee hereby agrees that the following Restructuring Transactions shall not be deemed to be or otherwise constitute a “Change of Control” for the purposes of any Applicable Agreement:

- a. the acquisition by Steelhead, West Face and/or Greywolf of Common Shares solely by virtue of the exchange of the Notes for the Common Shares pursuant to the terms of the Restructuring Agreement;
- b. the acquisition by Steelhead, West Face and/or Greywolf of beneficial ownership (as determined in accordance with Rule 13d-1 as promulgated under the Securities and Exchange Act of 1934, as amended), of Common Shares solely by virtue of the acquisition by Steelhead, West Face and/or Greywolf of the Amended Notes pursuant to the terms of the Restructuring Agreement;
- c. the acquisition by Steelhead, West Face and/or Greywolf of Common Shares solely by virtue of the issuance of Common Shares by the Company pursuant to the exercise by Steelhead, West Face and/or Greywolf of their rights to convert (i) the Notes held as of the date of this Change of Control Waiver Agreement that remain outstanding after closing of the Restructuring Transactions and (ii) the Amended Notes acquired by Steelhead, West Face and/or Greywolf pursuant to the terms of the Restructuring Agreement;
- d. the redemption by the Company of the Notes in accordance with Section 3.4 of the Restructuring Agreement held by Steelhead, West Face and/or Greywolf as of the date of this Change of Control Waiver Agreement for Common Shares and the receipt by Steelhead, West Face and/or Greywolf of such Common Shares;
- e. the redemption by the Company of the Amended Notes held by Steelhead, West Face and/or Greywolf for Common Shares and the receipt by Steelhead, West Face and/or Greywolf of such Common Shares; and
- f. the acquisition by Steelhead, West Face and/or Greywolf of CVRs pursuant to the terms of the Restructuring Agreement or the issuance of Common Shares to Steelhead, West Face and/or Greywolf pursuant to the terms of the CVR.

Notwithstanding anything contained herein to the contrary, in no event shall this limited waiver waive, amend or otherwise modify Employee’s rights pursuant to any Applicable Agreement with respect to an Enterprise Sale (as such term is defined in the Contingent Value Rights Agreement). For the avoidance of doubt, no Enterprise Sale shall be deemed to be or otherwise constitute a Restructuring Transaction for the purposes of this limited waiver.

3. For the avoidance of doubt, the limited waiver herein shall apply, subject to the receipt of the Required Stockholder Approval, only with respect to the acquisition of beneficial ownership of shares of the Company’s common stock upon the consummation of any of the Restructuring Transactions, and shall not apply to any other event or occurrence described in the definition of Change of Control in any of the Applicable Agreements, including without limitation a change in the composition of the Board of Directors of the Company, consummation of a reorganization, merger, or consolidation or sale or other disposition of all or substantially all of the assets of the Company, approval by the stockholders of the Company of a complete liquidation or dissolution of the Company; or any other event or series of events which the Board of Directors of the Company reasonably determines should constitute a Change of Control, all of which as more particularly described in the Applicable Agreement; provided that the foregoing shall not include any Restructuring Transaction.

4. If the Required Shareholder Approval is not obtained or the Restructuring Agreement is terminated in accordance with its terms, this Change of Control Waiver Agreement shall terminate concurrently with the earlier of the date on which the Restructuring Agreement is terminated or, if the Required Shareholder Approval is not obtained by such date, June 29, 2012, and this Change of Control Waiver Agreement shall be of no further force or effect.

5. This Change of Control Waiver Agreement is irrevocable to the fullest extent permitted by law and may not be amended or otherwise modified without the prior written consent of Employee.

6. This Change of Control Waiver Agreement shall be governed by and construed in accordance with the laws of the State of Washington ^[4] without reference to such state's principles of conflicts of law and any applicable federal laws.

7. This Change of Control Waiver Agreement may be signed in counterparts, including by facsimile copy, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument.

8. Capitalized terms used herein, but not otherwise defined, shall have the meanings ascribed to such terms in the Restructuring Agreement.

IN WITNESS WHEREOF, the Employee and the Company have signed this Change of Control Waiver Agreement on the date set forth below.
