Dear Sirs/Mesdames:

Re: Gold Reserve Inc. Equity Incentive Plan

We are Yukon counsel to Gold Inc., a corporation incorporated under the laws of the Yukon Territory (the "Company"). The Company adopted an Equity Incentive Plan in 1997, which was amended and restated as of January 29, 2006 (the "Equity Plan"). The Equity Plan was further amended and restated on November 12, 2008, with an effective date of January 1, 2008. The Equity Plan permits the grant of stock options, stock appreciation rights and restricted stock for the employees, directors and consultants of the Company and its subsidiaries. The total number of shares subject to issuance under the Plan, whether in the form of restricted stock, options, or stock appreciation rights, or any combination thereof, is 10% of the Corporation's outstanding shares, from time to time.

The Company proposes to increase the number of shares authorized for issuance under the Equity Plan by 1,232,226 Class A Common shares, no par value per share. The shares will include the Class A Common Share Purchase Rights attaching to such shares pursuant to that certain Shareholder Rights Plan Agreement, amended and restated as of January 29, 2006, between the Company and Computershare Trust Company of Canada (the "Rights Agreement"), which shall be issued pursuant to the Equity Plan, and will also include such additional Class A Common Shares as may become issuable pursuant to the anti-dilution provisions of the Equity Plan (such shares are collectively referred to as the "Securities").

The increase to the number of shares authorized for issuance under the Equity Plan by 1,232,226 shares will result in the maximum number of shares available for issuance of 5,945,009 shares, which represents 10% of the Company's common shares outstanding.

In rendering this opinion we have examined such corporate records, documents and instruments of the Company and such certificates of public officials, have received such representations from officers of the Company, and have reviewed such questions of law as in our judgment are necessary, relevant or appropriate to enable us to render the opinion expressed below. In such examination, we have assumed the genuineness of all signatures, the authenticity of all corporate records, documents and instruments submitted to us as originals, the conformity to original documents of all documents submitted to us as conformed, certified or photostatic copies thereof, and the authenticity of the originals of such conformed, certified or photostatic copies.

Based upon such examination and review and upon representations made to us by officers of the Company, we are of the opinion that upon issuance and delivery of the Securities in accordance with the terms and conditions of the Equity Plan and, as appropriate, the Rights Agreement, and upon receipt by the Company of the full consideration for the Securities as determined pursuant to the Equity Plan and, as appropriate, the Rights Agreement, the Securities will be validly issued, fully paid and non-assessable.

This opinion is solely for your benefit and is not to be relied upon or reviewed by any other party without our prior written consent.

Yours truly,

s/ Austring, Fendrick, Fairman & Parkkari

Consent of Counsel

We hereby consent to the use of our opinion dated April 20, 2011 as an exhibit, and consent to the use of our name in this Registration Statement.
