Filed with this Form 6-K is the following, which is incorporated herein by reference:

99.1 Press Release
May 15, 2006
GOLD RESERVE INC. CLOSSES CDN\$30 MILLION PUBLIC OFFERING

Certain statements included herein, including those that express management's expectations or estimates of our future performance or concerning the Brisas Project, constitute "forward-looking statements" within the meaning of the United States Private Securities Litigation Reform Act of 1995. Forward-looking statements are necessarily based upon a number of estimates and assumptions that, while considered reasonable by management at this time, are inherently subject to significant business, economic and competitive uncertainties and contingencies. We caution that such forward-looking statements involve known and unknown risks, uncertainties and other risks that may cause the actual financial results, performance, or achievements of Gold Reserve Inc. to be materially different from our estimated future results, performance, or achievements expressed or implied by those forward-looking statements. Numerous factors could cause actual results to differ materially from those in the forward-looking statements, including without limitation, concentration of operations and assets in Venezuela; corruption and uncertain legal enforcement; requests for improper payments; regulatory, political and economic risks associated with Venezuelan operations (including changes in previously established legal regimes, rules or processes); the ability to obtain or maintain the necessary permits or additional funding for the development of the Brisas Project; in the event any key findings or assumptions previously determined by us or our experts in conjunction with our 2005 bankable feasibility study (as updated or modified from time to time) significantly differ or change as a result of actual results in our expected construction and production at the Brisas Project (including capital and operating cost estimates); risk that actual mineral reserves may vary considerably from estimates presently made; impact of currency, metal prices and metal production volatility; fluctuations in energy prices; changes in proposed development plans (including technology used); our dependence upon the abilities and continued participation of certain key employees; and risks normally incident to the operation and development of mining properties. This list is not exhaustive of the factors that may affect any of the Company's forward-looking statements. Investors are cautioned not to put undue reliance on forward-looking statements. All subsequent written and oral forward-looking statements attributable to the Company or persons acting on its behalf are expressly qualified in their entirety by this notice. The Company disclaims any intent or obligation to update publicly these forward-looking statements, whether as a result of new information, future events or otherwise.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized.

99.1 Press Release

GOLD RESERVE INC. CLOSING CDN\$30 MILLION PUBLIC OFFERING

NR-06-07

GOLD RESERVE INC. CLOSING CDN\$30 MILLION PUBLIC OFFERING

May 15, 2006 - Gold Reserve Inc. (TSX:GRZ - AMEX:GRZ) announced today that it has closed its previously announced public offering of 3,335,000 Class A common shares of the Company at the purchase price of \$9.00 per share for gross proceeds totalling Cdn.\$30,015,000. Sprott Securities Inc. and RBC Capital Markets were joint book runners for the transaction.

The net proceeds of the offering of approximately Cdn.\$28.5 million, after deducting underwriters' fees and estimated expenses, will be used primarily to fund ongoing development of the Brisas Project, to fund the Company's initial obligations under the Engineering Procurement and Construction Management contracts with SNC-Lavalin Engineers & Constructors, Inc., and, to a lesser extent, to fund ongoing exploration of the Choco 5 project.

Gold Reserve has also agreed to grant the underwriters an over-allotment option, exercisable at any time, in whole or in part, for a period of 30 days following the closing of the offering, to purchase up to an additional 500,250 shares at a price of Cdn.\$9.00 per share. If the underwriters fully exercise the over-allotment option, Gold Reserve will receive additional gross proceeds of approximately Cdn.\$4,500,000.

A copy of the final short form prospectus may be obtained from Sprott Securities Inc. - in Canada, call (416) 943-6405; in the U.S., call 1-800-461-2275 or RBC Capital Markets - in Canada, call (416) 842-5345; in the U.S., RBC Capital Markets Corporation, Attention: Prospectus Department, One Liberty Plaza, 165 Broadway, New York, New York, 10006, U.S.A. (fax requests - 212-428-6260).

This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of these securities in any state or province in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or province.

About Gold Reserve Inc.

Gold Reserve Inc. is a Canadian company, which holds the rights to the Brisas gold/copper project and the Choco 5 gold exploration property in Bolivar State, Venezuela.

Forward-Looking Statements

Certain statements included herein, including those that express management's expectations or estimates of our future performance or concerning the Brisas Project, constitute "forward-looking statements" within the meaning of the United States Private Securities Litigation Reform Act of 1995. Forward-looking statements are necessarily based upon a number of estimates and assumptions that, while considered reasonable by management at this time, are inherently subject to significant business, economic and competitive uncertainties and contingencies. We caution that such forward-looking statements involve known and unknown risks, uncertainties and other risks that may cause the actual financial results, performance, or achievements of Gold Reserve Inc. to be materially different from our estimated future results, performance, or achievements expressed or implied by those forward-looking statements. Numerous factors could cause actual results to differ materially from those in the forward-looking statements, including without limitation, concentration of operations and assets in Venezuela; corruption and uncertain legal enforcement; requests for improper payments; regulatory, political and economic risks associated with Venezuelan operations (including changes in

previously established legal regimes, rules or processes); the ability to obtain or maintain the necessary permits or additional funding for the development of the Brisas Project; in the event any key findings or assumptions previously determined by us or our experts in conjunction with our 2005 bankable feasibility study (as updated or modified from time to time) significantly differ or change as a result of actual results in our expected construction and production at the Brisas Project (including capital and operating cost estimates); risk that actual mineral reserves may vary considerably from estimates presently made; impact of currency, metal prices and metal production volatility; fluctuations in energy prices; changes in proposed development plans (including technology used); our dependence upon the abilities and continued participation of certain key employees; and risks normally incident to the operation and development of mining properties. This list is not exhaustive of the factors that may affect any of the Company's forward-looking statements. Investors are cautioned not to put undue reliance on forward-looking statements. All subsequent written and oral forward-looking statements attributable to the Company or persons acting on its behalf are expressly qualified in their entirety by this notice. The Company disclaims any intent or obligation to update publicly these forward-looking statements, whether as a result of new information, future events or otherwise.
