INFORMATION CONTAINED IN THIS FORM 6-K REPORT

On November 17, 2022, Gold Reserve Inc. (the “Company”) issued a press release, a copy of which is furnished as Exhibit 99.1 to this Report on Form 6-K.

This Report on Form 6-K and the exhibit attached hereto are hereby incorporated by reference into the Company’s effective registration statements (including any prospectuses forming a part of such registration statements) on file with the U.S. Securities and Exchange Commission (the “SEC”) and are to be a part thereof from the date on which this report is filed, to the extent not superseded by documents or reports subsequently filed or furnished.

Cautionary Note Regarding Forward-Looking Statements

The information presented or incorporated by reference in this report, other than statements of historical fact, are, or could be, “forward-looking statements” (within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended) or “forward-looking information” (within the meaning of applicable Canadian securities laws) (collectively referred to herein as “forward-looking statements”) that may state our intentions, hopes, beliefs, expectations or predictions for the future.

Forward-looking statements are necessarily based upon a number of estimates, expectations, and assumptions that, while considered reasonable by us at this time, are inherently subject to significant business, economic and competitive uncertainties and contingencies that may cause our actual financial results, performance or achievements to be materially different from those expressed or implied herein, many of which are outside our control. Forward-looking statements speak only as of the date made, and any such forward-looking statements are not intended to provide any assurances as to future results. The Company believes its estimates, expectations and assumptions are reasonable, but there can be no assurance those reflected herein will be achieved. Accordingly, readers are cautioned not to place undue reliance on forward-looking statements.

Forward-looking statements involve risks and uncertainties, as well as assumptions, including those set out herein, that may never materialize, prove incorrect or materialize other than as currently contemplated which could cause our results to differ materially from those expressed or implied by such forward-looking statements. The words “believe,” “anticipate,” “expect,” “intend,” “estimate,” “plan,” “may,” “could” and other similar expressions that are predictions of or indicate future events and future trends, which do not relate to historical matters, identify forward-looking statements, although not all forward-looking statements contain these words. Any such forward-looking statements are not intended to provide any assurances as to future results.

Numerous factors could cause actual results to differ materially from those described in the forward-looking statements, any of which could adversely affect the Company, including, without limitation: (i) risks associated with the timing and ability to appeal, contest, reverse or otherwise alter the resolution of the Bolivarian Republic of Venezuela (“Venezuela”) Ministry of Mines to revoke the mining rights held by our joint venture entity Empresa Mixta Ecosocialista Siembra Minera, S.A. (“Siembra Minera”) for alleged non-compliance with certain Venezuelan mining regulations (the “Resolution”), with various Venezuelan authorities, including the Venezuelan Supreme Court of Justice; (ii) Venezuela’s failure to honor its commitments under our settlement agreement with them, with respect to their obligations to us in connection with Siembra Minera and/or the inability of the Company and Venezuela to overcome certain obstacles associated with the Siembra Minera project; (iii) risks associated with Venezuela’s ongoing failure to honor its commitments associated with the formation, financing and operation of Siembra Minera; (iv) the breach of one or more of the terms of the underlying agreements governing the formation of Siembra Minera and the future development of the Siembra Minera project by Venezuela; (v) risks associated with exploration, delineation of sufficient reserves, regulatory and permitting obstacles and other risks associated with the development of the Siembra Minera project; (vi) risks associated with sanctions imposed by the U.S. and Canadian governments, including without limitation those targeting Venezuela; (vii) risks associated with recovering funds under our settlement arrangements with the government of Venezuela and/or whether we are able to obtain (or get results from) relief from such sanctions, if any, obtained from the U.S. Office of Foreign Asset Control or other similar regulatory bodies, including our ability to repatriate any such funds; (viii) risks associated with the largest holder of contingent value rights (“CVR”), a related party, claiming Siembra Minera is “proceeds” for purposes of such CVR and (ix) risks associated with Camac Partners LLC’s activist campaign or any other activist from time to time, including potential costs and distraction of management and the directors’ time and attention related thereto that would otherwise be spent on other matters including appealing or contesting the Resolution. This list is not exhaustive of the factors that may affect any of our forward-looking statements.

Investors are cautioned not to put undue reliance on forward-looking statements, and investors should not infer that there has been no change in our affairs since the date of this report that would warrant any modification of any forward-looking statement made in this document, other documents periodically filed with the SEC, the Ontario Securities Commission or other securities regulators or presented on the Company’s website. Forward-looking statements speak only as of the date made. Investors are urged to read the Company’s filings with U.S. and Canadian securities regulatory agencies, which can be viewed online at www.sec.gov and www.sedar.com, respectively.

These risks and uncertainties, and additional risk factors that could cause results to differ materially from forward-looking statements, are more fully described in the Company’s latest Annual Information Form and Annual Report on Form 40-F, including, but limited to, the section entitled “Risk Factors” in Management’s Discussion and Analysis therein, and in the Company’s other filings with the SEC and Canadian securities regulatory agencies, which can be viewed online at www.sec.gov and www.sedar.com, respectively. Consider these factors carefully in evaluating the forward-looking statements. All subsequent written and oral forward-looking statements attributable to us or persons acting on our behalf are expressly qualified in their entirety by this notice. We disclaim any intent or obligation to update publicly or otherwise revise any forward-looking statements or the foregoing list of assumptions or factors, whether, as a result of new information, future events or otherwise, subject to our disclosure obligations under applicable U.S. and Canadian securities regulations. Any forward-looking information contained herein is presented for the purpose of assisting investors in understanding the Company’s expected financial and operational performance and results as at and for the periods ended on the dates presented in the Company’s plans and objectives and may not be appropriate for other purposes.
